Cyber Centaurs Capability Statement

ABOUT US

Cyber Centaurs is a Florida based professional service firm that provides cyber security, digital forensic and electronic discovery services and solutions to law firms, corporations, educational institutions and government entities. Even if you have not heard of Cyber Centaurs, you surely would recognize the names of many of our clients. Our unique approach, combined with international contacts, resources and a vast amount of experience allows us to provide unparalleled services to our clientele.

Cyber Centaurs was previously the digital forensic and cyber division of Data Analyzers and has been conducting services as such since 2009. In February of 2019 Cyber Centaurs was created as a separate entity to provide you with our undivided attention and expertise of over 10 years of experience in the domains of digital forensics and cyber security.
